

2017 LUXURY GTX⁺ LIMITED 230 / 300

These luxury watercraft provide comfort, countless unique features like the Ergolock seat with stepped design and the powerful 230-hp or 300-hp Rotax engines. Everything you need for a riding experience that meets, and exceeds, your needs.

RIDER CAPACITY

Weight capacity 600 lb / 272 kg

DIMENSIONS

Fuel capacity	15.9 US gal / 60 l
Length	139.2" / 353.5 cm
Width	48.2" / 122.4 cm
Weight (dry)	894 lb / 406 kg (GTX LIMITED 230) 909 lb / 412 kg (GTX LIMITED 300)
Storage capacity	42.8 US gal / 162 l

ENGINE

Type	Rotax 1500 HO ACE Rotax 1630 ACE
Intake system	Supercharged with external intercooler
Displacement	1,494 cc (1500 HO ACE) 1,630 cc (1630 ACE)
Cooling	Closed-Loop Cooling System (CLCS)
Reverse system	Electronic iBR [®]
Starter	Electric
Fuel type	87 octane – minimum 90 octane – recommended for GTX Limited 300

ROTAX[®] ACE[™] ENGINES (1500 HO ACE & 1630 ACE)

ERGOLOCK[™] SEAT WITH STEPPED DESIGN

EXCLUSIVE LIMITED PACKAGE

FRONT STORAGE WITH WATERTIGHT REMOVABLE STORAGE BIN

TILT STEERING

ELEMENT RIDING SUIT (OPTION)

ENGINE

1,494 cc or 1,630 cc four-stroke, Rotax with three cylinders in-line and four valves per cylinder. Rotax engines with maintenance-free supercharger, external intercooler and the Advanced Combustion Efficiency (ACE) technology. The new Rotax 1500 HO ACE is optimized for regular fuel, faster and more powerful than its predecessor, but just as fuel efficient, while the Rotax 1630 ACE is the most powerful Rotax engine ever delivering high efficiency and amazing acceleration.

iTC[™] (Intelligent Throttle Control) system: Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features activity-specific Touring, Sport and ECO[™] modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.

iControl[®] Learning Key[®]: The programmable Learning Key allows you to limit the performance of the PWC based on rider skill-level.

D-Sea-Bel[™] system: Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.

Closed-Loop Cooling System: Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

FEATURES

iControl: The "Brain" that integrates and controls all systems to create the best possible ride.

S³ Hull[®]: Stepped, stable & strong. The stepped design reduces drag and keeps you glued to the water.

Touring mode / Sport mode: Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides all acceleration performance for a more aggressive throttle response.

ECO mode: This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.

Hinged seat: Easy-open seat with convenient stay-open support struts. Provides easy access to the engine compartment while remaining attached to the watercraft.

Ergolock seat with stepped design: Seat with narrow profile and knee support that lets people sit in a more natural position and leverage their leg muscles to hold on to the machine for more control and less upper body fatigue. Also featuring a stepped design for more comfort and better visibility to passengers.

Reboarding ladder: Makes reboarding from the water easier and quicker.

Ski tow eye: For easy and secure attachment of ski rope.

Watertight, removable storage bin: Provides dry storage for luggage and necessities with easy access.

Tilt steering: 4 adjustable steering angles for maximum ease and comfort.

RF D.E.S.S.[™] Key: With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.

Off-Throttle Assisted Steering (O.T.A.S.[®]): Provides the operator with additional steering effect in off-throttle situations for greater maneuverability.

Interactive Multifunction Digital Information Center: Cruise control, Slow mode, VTS preset, Fuel consumption instant & average, Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO mode, F-N-R indicator and more.

GTX LIMITED 230 / 300

FEATURES CONTINUED

Handlegrips with palm rest	Rear grab handle
Sponsons	Seat strap
Bumpers	Quick latch fuel filler design
Wide-angle adjustable mirrors	Dual drain plugs
Large front storage compartment	Flush kit
Footwell carpets with Sea-Doo logo pattern	Emergency floating lanyard
Swim platform carpet with Sea-Doo logo	Operator's guide, instructional video and booklet

PROPULSION SYSTEM

iBR (Intelligent Brake & Reverse) system	First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 2nd generation, the intuitive and improved iBR allows you to stop close to 160 feet sooner ¹ for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.
Stainless steel impeller	Delivers improved acceleration, higher top speed and less cavitation.

LIMITED PACKAGE

High-performance VTS [™] (Variable Trim System)	The VTS adjusts the angle of the nozzle to change the behavior of the watercraft and improve parallelism to the water. The high-performance VTS provides pre-set positions for quick settings.
Additional gauge functions	Depth finder, Time / Distance to empty, Altitude indicator, Water temperature.
Sea-Doo Speed Tie [™]	Automatic retractable mooring lines eliminate the hassles of traditional docking lines.
Dry bag	Keeps contents dry and converts to backpack when removed.
Safety equipment kit	Contains all the essential safety equipment.
Glove box organizer kit	Ideal to keep gear or cell phone dry; removable and splash-resistant.
Watercraft cover	Protect your PWC.

OPTIONS

Retractable Ski Pylon
Wakeboard Rack
Ski Module
X package module (Top / average speed / RPM, Lap timer and Engine temperature)
12-Volt Outlet and Installation Kit
Bilge Pump Kit
Sandbag Anchor
Fire Extinguisher
Snap-in Fenders and Installation Kit
Sea-Doo Move Trailer

WARRANTY

BRP limited warranty covers the watercraft for one year.
